

# SECOND ANNUAL HELI FUN-FLY JULY 25, 2009

450 foot paved runway 5 flight stations with separate area for hovering.

## EVENTS:

**DRAG RACING**-Start at 10:15 AM-- This event will start in two starting boxes on the main runway. The helicopters will fly parallel to the main runway from the start line at the end of the runway to the finish line at the end of the runway, depending on prevailing wind conditions. Through single-elimination, the fastest helicopter wins.

**AUTOROTATION CONTEST**- Start at 1:30 PM-- The pilot will perform an autorotation, to a precision landing. The pilot with the shortest distance from the X to the main shaft will win. The best 2 out of 3 autos will count, and the shortest distance of the best two autos will determine the winner.

**BLADE GRAPHICS**-First 20 registered pilots will receive a vinyl cut tribal blade tracking tape. Lunch will be available to all participants. \$20.00 landing fee. Event starts at 8:30 AM with Registration starting at 8:00 AM.
